

Information for Department Historian

I am the 2020-2021 Department Historian. I would like to have information and pictures of the activities your Unit does through the year so I can prepare the Department President's scrapbook and Department History. It's our 100th year and I want to celebrate the year in pictures – tell the story of why you are a member of the American Legion Auxiliary.

Please send event information such as flyers, copies of any newspaper clippings, Unit newsletters, pictures, etc. You are welcome to send them at any time, you don't have to wait until the end of the year.

Taking pictures is my passion, and I would love to come take photos if you want me to. Call, text, or email me 435-299-5413
